More than just a winter playground,
Thredbo is a resort for all seasons.

Set within the unspoiled Kosciuszko National Park, Thredbo offers year round activities to keep everyone enthralled.

In summer, Thredbo blends a unique mountain environment with cultural events and activities. You can take a walk by the Thredbo River and discover the fascinating wildlife, or wet a line and test your skill at fly fishing. For a bit of an adventure catch the chairlift that operates all year round and then stroll to the top of Australia. If you're after some heart racing action, jump on a mountain bike and take a thrilling 6.2km blast down the infamous Cannonball Run.

When it comes to winter, Thredbo is in a league of its own with something to keep all standards charging. For the black diamond destroyers Thredbo offers the most vertical runs in Australia, with wicked off piste terrain to get the blood pumping. The wide and open trails at the Cruiser are ideal for intermediates and the gentle slope of Friday Flat is the perfect place for beginners with the Snowrunner and Easy Does It lifts to make the learning experience easy. The new school free stylers are also catered for with four Terrain Parks and the best ridercross in Australia for busting out their extreme moves.

ACCOMMODATION

Thredbo offers a diverse range of hotels, cosy lodges, self contained apartments and luxurious chalets. In total there are 4200 beds in Thredbo so we can confidently say there is something to suit every lifestyle and budget.
