More garden party than tea.....

Available 12pm - 6pm daily

When we set out to create the Soleil Garden Tea, our mission wasn't to simply craft another High Tea, our mission was to take a great experience that is enjoyed the world over, & build on it, take it slightly left-of-centre, & form something different, yet still uniquely Soleil; an experience that celebrates with a real sense of place. The British were on to something when they invented High Tea in the late 19th century, & we have taken this idea, & turned it on its head.

Welcome to Garden Tea by Soleil!

Brew Garden Tea 38

Garden Tea served with a 4 Pines Kolsh or American Amber Ale

Choose from two of our favourites from 4 Pines range. Kolsch - a delicious German style golden ale with aromas of lemon & lime that precludes a light, malty palate, crisp & clean with hints of spice.

Amber Ale - American style amber ale, ruby in colour with rich copper hues. Hop-driven aromas of currant & pear, rounded on the palate with a toasted malt character, light fruitiness & a balanced bitter finish.

Pimm's No.1 Garden Tea 42

Garden Tea served with a refreshing Pimm's No.1

Pimm, a farmer's son from Kent, became the owner of an oyster bar in the city of London, near the Bank of England. He offered the tonic (a gin-based drink containing a secret mixture of herbs & liqueurs) as an aid to digestion, serving it in a small tankard known as a "No. 1 Cup", hence its subsequent name.

Veuve Garden Tea 55

Garden Tea served with a glass of Veuve Clicquot Champagne

Yellow label - The strength of the golden / yellow wine is immediately pleasing to the nose while its complexity explores on the palette. The initial notes of fruit are followed by more discreet aromas of brioche & vanilla when the wine is allowed to age in the bottle. Brut Carte Jaune offers a perfect balance of finesse & forcefulness.
