

# BACCHUS BREAKFAST MENU

Monday - Friday from 6:00am to 9:30am  
Saturday & Sunday from 6:30am to 10:00am

By Justin Newbury

Bacchus Restaurant exclusively uses  
Sunny Queen Free Range Eggs

“Our girls get more space”

*Sunny Queen Chooks get six times more space than the national free range standard. Our free range eggs are laid on farms with a maximum outdoor density of 1500 hens per hectare, which means each chook gets more space outdoors than a king size bed! Maybe that's why they lay such great tasting eggs.*
