ST KILDA

Location

In the heart of the vibrant beachside suburb of St Kilda, we are surrounded by popular cafes, restaurants and bars, with boutique shopping, Luna Park, the Palais Theatre, St Kilda Sea Baths and the magnificent St Kilda Beach just a short walk away. The Melbourne city centre is just 4km from St Kilda, with trams to the city leaving from right outside our front door.

Your Room

Our 80 contemporary rooms offer a great night's sleep in the Rydges Dream Bed, Foxtel movie & sport channels, mini bar, large work desks and free unlimited WiFi, plus all the amenities you need for a comfortable stay.

Eating & Drinking

Hub Café serves fresh, cooked-to-order breakfasts and great barista made coffee. Our menu changes with the seasons, offering all the breakfast classics, plus a few modern creations of our own. Hub Café also offers an alfresco dining area to take advantage of the St Kilda sunshine.

Second Act is an intimate and relaxed neighbourhood style wine bar offering an ever evolving selection of boutique wines, craft beers and easy-drinking cocktails, plus our specialty 'Gin & Things' menu. The food menu features classic retro fare with a few modern twists, offering snack options for sharing over drinks, or heartier main meals too.

Meetings & Events

For meetings and events, Rydges St Kilda offers four bright and versatile spaces in the heart of St Kilda, perfect for training seminars, product launches, conferences and small weddings. Our conference rooms feature state-of-the-art audio and visual facilities, whilst our popular Conference Day Packages include everything you need in one simple price. Hub Café and Second Act Wine Bar can also be booked for intimate private dinners and events.
