SCOTCH WHISKEY

ISLAY

Single malts from this region are considered the strongest in smokiness & flavour. Many attribute this to the sea of the west coast & the salty high-speed winds of the area.

HIGHLAND & ISLANDS

The largest whiskey producing region of Scotland. The Highland region is known for bold peat driven single malts, but due to the size of the area, flavours can vary from distillery to distillery. The Island region is considered to be technically part of the Highland region although Island whiskies have their own flavours & take on mild characters of both the Islay & Highland areas.

LOWLAND

Flat & mountain less, there are only three remaining distilleries in this southern region. Lowland single malts are considered to be light in body.

AUCHENTOSHAN 12YR	\$14.5
AUCHENTOSHAN THREE WOOD	\$21
GLENKINCHIE DISTILLERS EDITION	\$23

SPEYSIDE

Geographically part of the Highland region, Speyside is considered to be its own region due to the uniqueness of the Scotch produced there. Water taken from the River Spey drives sweet whiskies with superb aroma & flavour, solidifying the region as the largest producer of Scotch in Scotland.

CORAVIN WINES BY THE GLASS

Azka Restaurant, Wine & Tapas Bar are proud to offer a vintage selection of wines thanks to Coravin wine preservation technology. Coravin technology allows wine to be accessed through the use of a surgical steel needle that pierces the cork, purges the air inside & withdraws the wine. This allows the cork to remain in the bottle, undisturbed to prevent oxidation & maximise quality preservation.

PENFOLDS GRANGE VINTAGES

Grange is arguably Australia's most celebrated wine & is officially listed as a Heritage Icon of South Australia.

Grange boasts an unbroken line of vintages from the experimental 1951 vintage & clearly demonstrates the synergy between Shiraz & the soils & climates of South Australia.

Penfolds Grange utilises ripe, intensely flavoured & textured Shiraz grapes. The result is a unique Australian style that is now recognised as one of the most consistent of the world's great wines.

The Grange style is the original & most powerful expression of Penfolds multi-vineyard, multi-district, blending philosophy.
