# Exclusive **CAR CLUB** Experience

## *Day 1:*

Arrive at Rydges Bathurst, which offers an unparalleled position on the famous Mount Panorama racetrack. This hotel is the perfect place to unwind and explore the region. The evening commences with a cocktail reception on the terrace followed by dinner in one of the Panorama function rooms or Chicane Bar & Grill, all with exceptional views of Mount Panorama and the racing circuit. It includes undercover parking for your car.

## *Day 2:*

Start the day with a Rydges Rise Breakfast, then set out on a scenic drive to Mayfield Garden, one of the world's largest privately owned, cool climate gardens. The Mayfield experience begins with an introduction to the garden by members of the Mayfield team, whilst enjoying a fresh morning tea. Mayfield Garden will offer multiple locations

within the garden to have your car show and achieve that perfect picture. After exploring this spectacular 36 acre garden, you will enjoy a private lunch and sample Mayfield's wonderful 'garden and paddock to plate' menu. After returning to Rydges to rest and relax, a return bus transfer will take guests to the famous Abercrombie House for a Downton Abbey themed (other themes on offer) cocktail and dinner reception, followed by a tour of this restored heritage house.

## *Day 3:*

Starts with a Rydges Rise Breakfast. Rydges Bathurst and Abercrombie House offer multiple locations to have a car club photo that morning before departing to your final destination.
