## Meet the Team

### **Monty Maguire** *General Manager*

Monty loves competing in equestrian events on weekends & camping but when travelling always chooses vodka from the hotel's minibar. She was born with hospitality in her veins & has been part of the family hotel business since completing her hospitality management degree in Switzerland. She is on the NSW Advisory Board for the Accommodation Association of Australia. Away from the 24/7 hotel industry you will find her at home with her horses, a good novel & a big bowl of noodles. ### **Michael Harper** *Business Development Manager*

Father, gardener, water skier & footy fan. Michael loves regional living & can be found relaxing at home pruning his very own vineyard or tinkering with wines in the cellar door. He loves to kick a footy around with his 4 children & enjoys at least 3 flat whites a day & rarely refuses a beer. Michael is a successful business owner with a Diploma of Business (Entrepreneurship) & has extensive experience in hospitality, sales & business development. ### **Suzie Hamilton** *Conference & Events Sales Executive*

A country girl at heart Suzie would choose 'rustic' over resort while travelling, relaxes by listening to true crime with a glass of red, her coffee choice is 'instant' (can you believe she's in hospitality!) & loves to draw. A Powerhouse dynamo, Suzie has worked in various departments including reception & F&B but is seriously good at organising everything events related. In her spare time, she is studying for a Bachelor of Media & Communication. [Events\\_powerhousearmidale@evt.com](mailto:Events_powerhousearmidale@evt.com) M: 0436 930 300

### **Alice Snyder** *Group Reservations Supervisor*

Despite being a coastal girl, Alice has the country life in her veins. She loves everything equine especially horse riding & racing. She graduated from UNE with a Bachelor of Business & Bachelor of Arts & worked in functions & event catering before joining the front office team. As reservations guru for both hotels, she is a super organised, neat freak with an eagle eye for details. Her beloved dog & a double espresso keep her smiling. ### **Nicholas Chin** *Food & Beverage Manager*

With a family of 8, you would think the last place you would want to be is around more people! However, Nicholas, with 28 years in the industry, thrives on connecting with guests & customers. Originally from Kota Kinabalu in Malaysia he has well & truly acclimatized to the New England weather, fresh air & loves Armidale's multicultural heart. He is a dedicated family man who makes a killer cocktail & spicy food is his passion. [Nicholas\\_Chin@evt.com](mailto:Nicholas_Chin@evt.com) T: 02 6772 7788
