## CORAVIN WINE BY THE GLASS

---

The Workshop Kitchen & Coal Bunker bar are now proud to offer a vintage selection of wines thanks to Coravin wine preservation technology. Coravin technology allows wine to be accessed through the use of a surgical steel needle that pierces the cork, purges the air inside and withdraws the wine. This allows the cork to remain in the bottle, undisturbed to prevent oxidation & maximise quality preservation.

## PENFOLDS GRANGE VINTAGES

---

Grange is arguably Australia's most celebrated wine & is officially listed as a Heritage Icon of South Australia.

Grange boasts an unbroken line of vintages from the experimental 1951 vintage & clearly demonstrates the synergy between Shiraz & the soils & climates of South Australia.

Penfolds Grange utilises ripe, intensely flavoured & textured Shiraz grapes. The result is a unique Australian style that is now recognised as one of the most consistent of the world's great wines.

The Grange style is the original & most powerful expression of Penfolds multi-vineyard, multi-district, blending philosophy.
