Meet the Team

Daine Cooper *General Manager*

With a handicap of 8, our passionate golfer is a Powerhouse pro, having joined the hotel at 21. Over 15 years, he has become a hospitality hero with strengths in F&B, rooms & events. A proud sommelier, he loves his 2 Glass rated wine list at The Workshop Kitchen & his preferred grape is a nice peppery shiraz. Devoted to his cat Elric, he chills out by playing Pokémon Go & is a sucker for a beautiful dessert wine to finish off an evening (maybe it's the sugar hit he needs to keep going 24/7!). Winnie Chan *Business Development Manager*

Winnie loves all things matcha, her ragdoll cat, cooking on weekends & a quiet night in with a good book. She never says no to brunch, enjoys yoga, reformer pilates & watercolour painting. She is a dynamic business development guru who has extensive experience in the hospitality industry with stints at the Sydney Hilton, The Ultimo Sydney & most recently Rydges Camperdown. Winnie is all about developing long term partnerships, maximising opportunities & problem solving. Sales_powerhousehotels@evt.com | M: 0427 063 003

Alice Snyder *Group Reservations Supervisor*

Despite being a coastal girl, Alice has the country life in her veins. She loves everything equine especially horse riding & racing. She graduated from UNE with a Bachelor of Business & Bachelor of Arts & worked in functions & event catering before joining the front office team. As reservations guru for both hotels, she is a super organised, neat freak with an eagle eye for details. Her beloved dog & a double espresso keep her smiling. Alice_Snyder@evt.com | T: 02 6772 7788

Lauren Alley *Conference & Events Sales Executive*

A Powerhouse favourite, Lauren has worked for many years in both The Workshop Kitchen & hotel reception. She is now the resident 'go to' person for all meetings & events. Lauren is genuinely warm & friendly all the time (trust us we know) & can change outfits faster than Wonder Woman. She is a serious multi-tasker who loves animals, but would never be caught camping on a holiday. Lauren is a huge fan of Asian food, particularly Thai & Vietnamese, but weirdly hates coriander.
