

DREAM BED SALE

March - April 2019

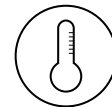

A light which soothes
you to sleep?
Now that's smart!

- ✓ Fall asleep easily and wake up naturally with Nox Smart Sleep Light.
- ✓ Nox produces a spectrum of coloured lights that enhances your body's natural sleep cycle.
- ✓ The built-in sensors monitor your bedroom environment (temperature, noise and humidity), whilst the smart alarm tracks your sleep cycle and wakes you at the optimal time.

Applies when purchasing a mattress & /or ensemble
